

Family Web Access and Schoology

What's the Difference?

FWA- shows student scores on assignments and calculates your child's running grade as scores are entered into the teacher's gradebook.

Schoology – each teacher has a Schoology webpage. Schoology pages contain class updates, class resources, and reminders.

Family Web Access

Accessing Your Child's Grades with Family Web Access:

1. Go to the Farmington homepage at www.farmington.k12.mn.us
2. Hover over the ***Families*** tab at the top of the page
3. Select ***Family Web Access***
4. Click on the **LOG IN NOW** link located towards the bottom of the page
5. Enter your User Name and Password
 - a. This will bring you into the Campus Portal
6. At the top of the page, click on ***Select a Student*** to identify your child.
7. Once you child's page appears, choose from the menu of options on the left side of the page.
 - a. **Current Grades** – To access your child's current grade, click on the ***Schedule*** tab. Next, click on the notebook/pencil icon of the class you wish to view. A detailed report of assignments and scores will appear for each class you select.
 - b. **Report Card**– To view your child's quarterly report card, click on the ***Reports*** tab on the left side of the screen. Select ***Report Card*** to view your child's final grade for the quarter.

Setting Up a Family Web Access Account

If you do not already have a FWA account, you can begin the process of setting up your account by contacting the **main office** at BMS. The phone number for the main office is 651-460-1400. By updating your e-mail address and indicating your interest in FWA, you will be sent an invitation to register online. The invitation will arrive from Family Web Access within 48 hours of your call. The invitation will include a link with a step by step process of how to step up a FWA account.

If you have children at more than one school, you do not need to call more than one main office.

Schoology

Accessing Schoology

1. Go to www.schoology.com
2. Click – Sign up (upper right)
3. Click – Parent
4. Enter access code
 - a. Parent Access code
(Found in the top right corner on page 1 of this document).

By logging into Schoology with a Parent Access Code, parents will see all of the groups and courses their child is enrolled in.

For additional questions about setting up a Schoology account visit:
